

Genevive

RN Care Coordinator-MSHO Case Management

Position Location: Northeast of the Metro Area

This is a full-time position, working Monday – Friday. This is a home office based position, working primarily from home after orientation and 30 day training in Minneapolis Office.

Mission:

How will this generation live out its remaining years? Those who have come so far deserve care as generous as their experience. Welcome to Genevive, a team genuinely committed to making this phase of life the best it can be. At Genevive we encourage talent, initiative, teamwork and efficiency. As an organization, we are committed to improving the quality of care for the frail elderly.

Responsibilities:

We are currently searching for a full-time Registered Nurse to work with our geriatric MSHO members Northeast of the Metro Area. The position is responsible for assessing the medical and social needs of these members in their homes and ensuring they receive all the necessary care and services they require. They will work within the regulations set forth by DHS and Health plans for the MSHO program. Assessments are completed twice yearly and include creation and implementation of plans of care. You will interface with physicians, providers and county financial entities to discuss the care plan and provide updates on progress and change. After training the CC will work independently from a home office as well as function as a supportive team member.

Requirements:

Must be a Registered Nurse and have 2 years of experience in home and community based services or a PHN with 1 year of this experience. (Examples: home care, hospice, assisted living, or discharge planning in a nursing home)

Experience:

- Experience working with seniors or those who have disability is preferred.
- Comfortable working with diverse, low income populations
- Knowledge of Medicare and Medical Assistance programs
- Strong computer skills with specific knowledge of Microsoft Office programs preferred
