

Genevive

Job Description: MSHO Support Associate

Job Title: MSHO Support Associate

Department: Nursing

Position Summary: The MSHO Support Associate acts as the support center for the MSHO Care Coordination team and is essential to the team's success. Responsibilities include answering phones, actively listening to callers' needs, taking accurate messages, and researching answers to questions, from members, families, and providers. Accurately entering data in spreadsheets, health plan, state templates, and forms. Prepare charts for care coordination visits, process health plan enrollment reports, and create new member files. Process mail, arrange, complete and process authorizations for services for our members, following the guidelines of the health plans and Genevive. Candidates will lead by example and reinforce Genevive's values of integrity, respect and trust through actions, decision making, and competence. This position is integral to providing essential support to the MSHO care coordination team. Your attention to detail would be vital to the outcome of the health and safety of our elderly MSHO members.
