About Genevive: Genevive has delivered primary care to residents in long-term care facilities since 2003. Since then we have grown into a practice of over 55 physicians and nurse practitioners serving over 100 campuses in Minnesota. As a Top 200 workplace, our culture fosters a collegial, intellectually stimulating, mission driven, and fun work environment. We have a progressive business model that provides you the time and support to deliver expert geriatric medical care. Genevive is on a mission to provide the best care to the patients we serve, using our four values of expertise, accessibility, compassion, and community. We believe this work is a privilege and are here to improve health outcomes using our innovative collaborative model that includes partnership with nurse practitioners and clinical leadership. Genevive's physicians are experts in the field of geriatrics and exercise autonomy in medical decision making and provide a broad range of services in long term care, transitional care, and assisted living settings.

This is a unique opportunity for a high performing, driven, caring, primary care physician with the ability to work in a collaborative team model. We are seeking a full time (0.8-1.0 FTE) physician with respect for patient autonomy, outstanding communication, and self-motivation. This position will provide clinical patient care in the Twin Cities Metro area.
