Genevive

Ruby Schoen, DNP, APRN, A-GNP-C

I have been working across the care continuum in the geriatric population for over two decades. This includes interests in healthy aging, functional health, management of chronic conditions, palliative care and end of life planning. I discovered providing care to older adults with complex health problems is highly challenging, exciting, and rewarding. I love working with the geriatric population. What I love most about my work are the relationships I establish with patients and their families and the differences I can make in their lives.

- Board Certifications / Re-certifications: American Association of Nurse Practitioners Certified Adult Nurse Practitioner, American Association of Nurse Practitioners Certified Geriatric Nurse Practitioner

- Professional Interests: I have a professional and personal interest in palliative and dementia care. I enjoy palliative and dementia care, because the goal is not to cure, but to provide comfort and maintain the highest possible quality of life for as long as life remains

- Education: Doctor of Nursing Practice, St. Catherine University, Masters of Science in Nursing, Metropolitan State University, Bachelor of Science in Nursing, Metropolitan State University

Scott Fairbairn, MD

As a provider I feel I can bring empathy, understanding and caring as well as the expertise of over 20 years in Geriatric Medicine. I want to become a present and constant person in the life of my patients and their families.

- Board Certifications / Re-certifications: Diplomate, American Board of Family Medicine, Member of the American Medical Association, Member American Academy of Family Practice, Member Hennepin County Medical Society

- Professional Interests: Geriatrics and Palliative Care, Working with Families, Patient Interaction

- Education: Family Practice Residency, Mercy Medical Center, Denver, CO, Doctor of Medicine, Creighton University Medical School, Omaha, NE, Bachelor of Science, Creighton University, Omaha, NE
