

Judy Palmer, APRN, CNP

As a Nurse Practitioner, I provide care for older adults in the comfort of their homes, through examination and assessments, treatment plans, and education about wellness, disease prevention, and chronic disease management. I have extensive experience in primary care management for older adults with complex and chronic medical conditions, I have additional expertise in geriatric health care in Assisted Living, Long Term Care, and Acute Care to further prepared me for this role.

- Board Certifications / Re-certifications: Adult Nurse Practitioner, Member of the American Academy of Nurse Practitioners
- Education: Masters and Bachelor of Science in Nursing, Metropolitan State University in St. Paul, MN

Bill Hamilton, MD

After 31 years in a robust full-service family practice in Saint Paul, I am proud to have transitioned into my current role as a Geriatric Physician. I find that I learn continually from my patients and their families and hopefully educate them return. I try to incorporate compassion, competence, and communication in my daily work. I find it a true privilege to attend to this special group of patients.

- Board Certifications / Re-certifications: Board Certified Diplomate, American Board of Family Medicine
- Education: Fairview St. Mary's Family Practice Residency, Minneapolis, MN 1987, University of Minnesota Medical School, Minneapolis, MN 1984, Medical Doctorate University of St. John's, Collegeville, MN 1979.
