

Natalie Cowell, APRN, CNP

I have been a Nurse Practitioner for 6 six years and a Registered nurse for over 14. I love caring for patients as if they are my family, deserving of compassion, honesty, patience, knowledge, and a little bit of humor. I provide patient-centered care, aiming to maintain quality of life by listening to each person's unique goals and implementing plans to reach them.

I love spending my free time with family, reading, and working in my gardens. I look forward to continuing my career at Genevive and building relationships with my patients and their families.

- Education: Master of Science, Nursing, St Catherine University, St. Paul, MN, Bachelor of Science, Nursing, Metropolitan State University, St. Paul, MN, Bachelor of Arts, History, University of Minnesota, Minneapolis, MN

Brad Langley, MD

After 36 years of practicing full spectrum family medicine, I am excited to focus now on geriatric medicine here at Genevive. As I watched my own parents on their journey to end of life, then saw my in-laws struggle with age, the complexities of aging took on a more personal meaning. As a part of Genevive, I am pleased to work with a remarkable collaboration of providers. May the truly good work done here be experienced as love made visible.

- Board Certifications / Re-certifications: Diplomate, American Board of Family Medicine
- Professional Interests: End of life issues, Patient/family interactions and relationships
- Education: Concordia College, Moorhead, MN–Bachelor of Arts, University of Minnesota Medical School, Minneapolis, MN–Doctor of Medicine, University of Minnesota/Fairview-St. Mary's, Minneapolis, MN–Family
