## Brianna Kvanli DNP, APRN, AGNP-C

My passion for geriatrics as a Primary Care Nurse Practitioner is driven by my high energy and positive outlook, which fuels my commitment to enhancing and optimizing the lives of older adults. I am dedicated to providing comprehensive, patient-centered care plans that focus on quality of life as directed by each patient's heard choices, visions, and goals of care. By fostering a collaborative, supportive environment, I strive to make a holistic, meaningful impact throughout my patient's adult life and in their final journey, while providing grace, guidance, and education to their family throughout the process as well.

- Board Certifications / Re-certifications: Certified Adult-Gerontology Primary Care Nurse Practitioner, American Academy of Nurse Practitioners.
- Professional Interests: Chronic Disease Management, Advanced Care Planning, Polypharmacy.
- Education: Bachelors in Science in Nursing, Winona State University, Master of Science in Nursing, St. Catherine University, Doctor of Nursing Practice, St. Catherine University.

## Sandra Turbes, MD

I feel fortunate to have found the opportunity to provide quality care to elders at Genevive. Those in our care have reached a point of becoming more medically vulnerable, but they have survived a lot. I value taking the time to get to know each patient's story both medically and personally. My goal is to optimize every patient's care based on their individual health conditions, values, and needs. I strive to explain things in ways that patients and family members can understand, so that together, we can balance the benefits and risks of various options in treatment plans and overall care. What I love about my work is relationships - my relationships with patients and families, patients' connections with the important people in their lives, collaborative relationships in both long term care settings and home-based care, and the positive, collegial relationships at Genevive.

- Board Certifications / Re-certifications: Diplomate, American Board of Family Medicine.
