

Genevive

Abigail Hartin, DNP, APRN, CNP

I have been a nurse practitioner since 2018, with both clinic and hospital experience, working mainly with cardiology and heart failure patients. Prior to starting my career at Genevive I worked as an RN for 14 years with cardiac and transplant patients.

I enjoy working with the older population as I love hearing about their lives. I appreciate being able to bring care to them to meet their needs. I aim to be a partner in their health and supporter of their care goals. It is rewarding for me to build meaningful relationships with people and their loved ones through compassion and communication.

- Board Certifications / Re-certifications: American Academy of Nurse Practitioners, Certified Family Nurse Practitioner
- Professional Interests: Cardiology and Heart Failure
- Education: Doctor of Nursing Practice, Metropolitan State University, Bachelor of Science in Nursing, St Catherine University

Brad Langley, MD

After 36 years of practicing full spectrum family medicine, I am excited to focus now on geriatric medicine here at Genevive. As I watched my own parents on their journey to end of life, then saw my in-laws struggle with age, the complexities of aging took on a more personal meaning. As a part of Genevive, I am pleased to work with a remarkable collaboration of providers. May the truly good work done here be experienced as love made visible.

- Board Certifications / Re-certifications: Diplomate, American Board of Family Medicine
- Professional Interests: End of life issues, Patient/family interactions and relationships
- Education: Concordia College, Moorhead, MN–Bachelor of Arts, University of Minnesota Medical School, Minneapolis, MN–Doctor of Medicine, University of Minnesota/Fairview-St. Mary's, Minneapolis, MN–Family
