

Kelli Bronder
APRN, DNP

About I have spent my entire nursing career caring for the geriatric population. I consider myself truly privileged to be part of the care team of a patient and to be able to get to know them and their loved ones on a personal level.

Credentials Board Certifications or Re-certifications:

American Association of Nurse Practitioner/ Adult Gerontology
Primary Care Nurse Practitioner

Professional Interests:

Dementia Care | Advanced Care Planning | Polypharmacy |

Palliative Care

Education: Doctorate of Nursing Practice,
College of St. Scholastica | Bachelor of Science in Nursing,
Mankato State University

Brian Dixon
MD

About If primary care doctors are the “people doctors,” then older adults are by far my favorite people. Getting to know my patients and their families is something I value highly. Guiding them through the decisions and complexities that arise in their health care is also highly rewarding. It is at Genevive, helping the frailest of these patients manage chronic disease, acute illness, and end-of-life transitions, where I believe a physician can have the greatest impact in primary care.

Credentials Board Certifications or Re-certifications:

Diplomate, American Board of Internal Medicine

Professional Interests: Atrial fibrillation | Congestive heart failure |

Advanced care planning | End of life care

Education: Internal Medicine Residency, Hennepin County Medical Center,

Minneapolis, MN | Doctor of Medicine, University of

Minnesota Medical School (Twin Cities)
